About the event

LVGEA is taking a bold new step by combining its signature events into one unforgettable evening - **The PERSPECTIVE Awards Dinner**. This premier gathering for community and economic development insights, analysis, and forward-looking forecasts will now unite the best of both worlds by honoring achievements while still showcasing the ideas, leadership, and bold thinking shaping Southern Nevada's economic future this community has come to expect from our PERSPECTIVE event. Partnering with our dedicated Perspective Council sponsors, the event will bring together business leaders, community partners, and innovators for a night of storytelling, recognition, and forward-looking perspectives.
