

ECONOMIC DEVELOPERS ADVISORY COUNCIL

A COUNCIL OF THE LAS VEGAS GLOBAL ECONOMIC ALLIANCE

A collaborative group of economic development professionals representing local community, state and utility partners across Southern Nevada — advising LVGEA and shaping where the region grows next.

PURPOSE

The Council advises the LVGEA team on local economic development trends and priorities, offers insights on community leadership goals, and partners to finalize business location decisions.

STRUCTURE

The Chair is elected annually by Council members and recommended to the LVGEA Board of Directors for a one-year appointment as an **Ex-Officio member** of the Board.

2026 PRIORITIES

01

Pipeline collaboration

A strong cadence of business development pipeline collaboration and reporting across partners.

02

First Annual Retreat

Executing the Council's inaugural retreat for regional goal-setting and alignment.

03

Competitive position

Advancing the region's competitiveness, strategic plan execution and target industry cluster attraction.

MONTHLY FROM STAFF

DELIVERED
TO COUNCIL

Overviews and analysis of **active projects in the business development pipeline**, plus trends in regional activity and interest — with a focus on emerging industry sectors.
